

7.2.1 SCMSP Best Practices (1) 2018-2019

Internationalization

1. **Title of the practice** – Internationalization
2. **Objectives of the practice (In 400 words)** – To provide diversity in the classes of our students so that they become responsible global citizens.
3. **The Context (In 150 words)** – In line with the SIU mission of „Vasudhaiva Kutumbakam“, one of the primary goals at SCMS, Pune is to make the students responsible global citizens. The Internationalization of the SCMS, Pune campus is in the form of full time International students, Semester Exchange students from foreign universities, SCMS students going to foreign universities and also through various initiatives on campus such as workshops, certificate programs and guest lectures. The SCMS campus is a very diverse campus. There are full time international students from 31 different countries on the campus plus many Non Resident Indian students
4. **The Practice (In 400 words)** –
 - a. **GIP-** At SCMS, the fourth semester has been identified as the „Global Immersion Program „semester. During the GIP semester, SCMS students have the freedom to complete any 12 credits of their choice from a partner university of SIU across the globe. These credits are accepted at SCMS.
 - b. **Summer School-** Some SCMS students also choose to attend Summer schools and other short term programs. SCMS facilitates this by offering attendance assistance etc. SCMS students have attended summer schools at universities such as, Harvard University, London School of Economics, Dance summer school at Trinity Laban, UK, Fudan University, Shanghai, China and more.
 - c. **Buddy Committee-** Buddy committee is a body of the international cell formed of 14-16 members from 1st, 2nd and 3rd year. The main objective is to help international students adjust to their new home. As a new student, it is always difficult adapting to a new and different environment, Buddy is able to show typical Indian traditions and is able to explain why things are the way they are. He/she can also help out with some practical issues faced by foreign national students. Most important, Buddies are the friends, guides, mentors and definitely hang out peers. They make an atmosphere of home away from home for the new students.
 - d. **Study India Program-** SCMS has hosted students from different university for study India program. In the past SCMS has hosted following university students- The students of Deakin University, Australia had visited the Institute for a six-day study tour on the subject “Investment and Portfolio Analysis” from 20th November to 25th November 2017, 2018 & 2019. Their study started from what were investments to understanding security instruments, Financial and capital markets, Portfolio creation, Fundamental and Technical analysis. They had an industry tour as well where they were taken to PwC/

KPMG and were given an insight into Investment Banking in India. A contingent of 16 students from Liege School of Commerce, Belgium accompanied by their Professors visited Symbiosis Centre for Management Studies, Pune on 15 March 2018. They were traditionally welcomed by the students and faculty of SCMS Pune. The Liège faculty and students presented the business initiatives of the Belgium firms intending to make a foray into Indian market. The faculty of SCMS-Pune also took a session on “Doing Business in India.

- e. **International Faculty-** SCMS has also hosted foreign faculties with expertise in different fields.
- f. **COIL** – From the academic year 2019 – 20, SCMS Pune initiated the COIL (Collaborative Online International Learning) with a US University, where students from both the institutes were co-taught a module and co-worked on a project by leveraging ICT (Information and Communication Technology). This was included in their internal assessment.

5. Evidence of success (In 200 words) –

- a. Number of outgoing and incoming students has gone up gradually over the years.
- b. The diversity in the campus has also increased, we have students from over 30 different countries studying in the campus.
- c. The study India program of Deakin University has now become a regular activity
- d. The COIL Collaboration has been done for two consecutive semesters and we have started planning for the third collaboration.

6. Problems encountered and the resources required (In 150 words) –

- a. The International students seem to face problems related to culture, food, health, etc. so managing them sometimes is a challenge.
- b. The International students also face problems related to the FRO process since it changes frequently and the students have to visit them multiple times.
- c. In case of COIL, the time difference seems to be a major challenge, in addition it takes some time for the students to understand each other’s culture and traditions and start working together

7. Notes (optional – In 150 words) – This is a very successful practice

Cc: Director SCMS Pune <director@scmspune.ac.in>, Sonica Rautela <sonica.rautela@scmspune.ac.in>, Admissions Info <coordinator.varsha@scmspune.ac.in>

Dear Students,

The International Cell is very pleased to open the applications for Global Immersion Programme 2018-19 for our partner universities mentioned below: (Fact sheets attached to this mail).

Sr No	Name of University	Country	No of Seats Available	Tuition Waiver
1	ESSEC BBA	France	2	Yes
2	Dauphine University	France	1	Yes
3	IESEG	France	2	Yes
4	Technische Hochschule Nurnberg (Georg Simon Ohm University of Applied Sciences)	Germany	2	Yes
5	Hochschule Bremen University of Applied Sciences	Germany	2	Yes
6	ISEG Lisbon	Portugal	1	Yes

1. Kindly submit the below mentioned documents & apply through following SCIE google form link after the submission of documents <https://goo.gl/forms/xjruevc2eQ7rFXsw2>

- Consent of Parent and Application Checklist (attached to this email)
- Copy of CV
- Statement of Purpose
- Valid Passport (not expiring within 6 months)
- Photo copy of Mark sheets of Semester I & II (Please carry the original for the verification)

2. Nomination deadline is 9th August 2018.

3. There will be panel interviews. The Interview schedule will be decided after receiving the nominations.

4. Eligibility criteria:

- CGPA should be greater than or equal to 7.00
- No disciplinary action
- No backlogs or TNGs
- A very good command of the English Language & General Awareness.

Please note: Students with Backlogs and Disciplinary action, those with or having applied for one will not be entertained.

Deadline should be strictly adhered to. Incomplete & late applications will not be considered.

For any queries, please feel free to contact International Cell on any working day between 10:30 am to 12:30 pm.

Regards,
Angelo Dccunha

EXPLANATION

The Academic Year

Each academic year includes a fall semester and a spring semester, while the University also offers a summer teaching program. Each semester includes eighteen teaching weeks. One class hour per week is devoted to a principal course, and full attendance at that eighteen-week course secures one credit. The timetable and relative credits for the various practical and experimental courses along with courses in aural comprehension and physical education are organized autonomously by each teaching department.

Method of Assessment and Calculation of Scores

1. Examination results are recorded according to the floating-point system.

Below is the conversion table for scores, grades and GPA:

Grade	A	A-	B+	B	B-	C+	C	C-	D	D-	P	F
GPA	4.0	3.7	3.3	3.0	2.7	2.3	2.0	1.7	1.3	1.0	0	0
Corresponding percentage	90-100	85-89	82-84	78-81	75-77	71-74	66-70	62-65	60-61	pass after re-sit	pass	59% and below

The method for calculating the GPA of credits is:

The credit score for a course = the score \times the credit coefficient;

The average GPA for a semester / academic year = the sum of scores obtained on all courses \div the sum of the credit coefficients for these courses.

2. The symbol "*" refers to results obtained outside the University that count towards credits but do not count towards the GPA.

3. The transcript records the students' scores for all the courses studied during their time at the University. According to the "Rules and Regulations of Fudan University Concerning the Award of a Bachelor's Degree", when awarding a degree to a graduating student, the GPA is calculated in conformity with the valid results obtained on all the courses stipulated in the teaching program of the student's major at the time of graduation, and, if the student reaches the required GPA standard for the degree, and satisfies other relevant conditions, the degree of Bachelor is awarded.

Dear Dr Adya,

We are very happy that the next batch of 20 students accompanied by Brianna and Ritu would be arriving at SCMS on the 26th. It is the efforts of you and the SCMS faculty (Dr Jain special mention!!) that the program has been well appreciated at Deakin.

We would like to invite you for the Orientation Program

Date: 26th November 2018

Place: SCMS Auditorium

9:30 to 10 AM Inauguration

10 to 11 AM Dance performance

Followed by Tea and refreshments

Request your confirmation. We would also like the faculty who is involved in the teaching to attend the Orientation

Regards,
Swati

Subject: Symbiosis and Deakin India Finance Study Program

Dear Swati,

Hope you are well.

We are very much looking forward to having our program with you again this year.

I am just hoping to finalise the itinerary and will then be updating this year's agreement to send through to you for signing as the cost for this year's program with you has varied from last year.

The schedule last year was great, and mostly we would like to keep this the same. The only change that would be requested is for the Saturday to have the test in the morning and the tour post-test, or perhaps we could start earlier on the Friday and have the test that evening? We would again request for the same sessions, assignment topic from Dr Dhiraj Jain and a transcript again post marking the assignments as per last year. I have attached a copy of last year's schedule for your reference.

Please let me know if you require anything from us at this stage.

With kind regards,
Bri

Report for the Finance Study tour of the students from Deakin University, Australia

The students from Deakin University, Australia had come to SCMS, Pune for their finance study tour for a week from, 25th November to 1st December 2018. The course covered was Investment Analysis and Portfolio Management. Dr. Dhiraj Jain, Prof. Vijay Misra and Dr. Shreya Virani together conducted the classes and gave the students various insights into the subject.

26th November 2018 – After their inaugural function, Financial markets and Financial Instruments were taught.

27th November 2018 – Risk and return was taken. In the IInd half the students were taken to KPMG for the Industrial visit.

28th November 2018 – Debt markets and Debt instruments and Ratio Analysis was taught.

29th November 2018 – Fundamental Analysis (Economic, Industry and Company Analysis) was taken

30th November 2018 – Fundamental Analysis and Technical Analysis was taken. After the study was completed, the students gave their MCQ test.

1st December 2018 - The students had their farewell lunch by SCIE and were then seen off.

Ady
