ALUMNI MEET

RELIVE. REJOICE. RECONNECT.

19 JANUARY, 2019

With the Alumni Meet around the corner, the preparations are going on in full swing. In collaboration with Sympulse'19, the meet is going to be one of the most anticipated event of this year.

The Alumni Meet is to be held on the 19th of January, 2019. The primary aim of the Alumni Cell is to maintain and grow the relationship between the Institute and its alumni by sharing the saga of development and growth. The Alumni Meet ensures this by having alumnus of all batches over, as our guests. This gives us a chance to network with our alumnus, and also for them to meet their colleagues, friends and batchmates to relive their old memories. The meet will happen in the afternoon of the 19th, right after the TEDx event, at the 4th Floor Balcony.

Day 4 of Sympulse has a lot of things in store for you, starting off with TEDx, wherein highly influential speakers from across the country will join us and present their ideas. This will be followed by Pit Stop, a highlight event of Sympulse, the view for which will be available from the balcony during the Alumni Meet.

ALUMNI MEET

Post this, the guests will be served high tea, and there will be plenty of time to mingle with friends, and even meet teachers who taught and guided them.

Day 4 of Sympulse will come to an end with the Alumni Socials, an off-campus event where all the guests can unwind and have fun. The Socials will give the alumni a chance to party like they did in their college days. Day 5 is when the Alumni will have time to roam the city they consider their second home. The day ends with the biggest headline event of the fest, the Musical Night, which has seen artists like Farhan Akhtar and Ayushman Khurana come perform live, for our festival. The Alumni are more than invited to come share this experience with the students of SCMS and have a night they will never forget.
