The Alumni Cell has always strived towards achieving its vision of being a close knit and sought after alumni network by connecting informing and engaging the Alumni, the students and the Institute with each other. The Alumni Cell, since its establishment has continually taken big strides towards a comprehensive and active alumni network by organizing various events during the academic year and aims to maintain progress this year as well.

DIRECTOR'S MESSAGE

Greetings from the Symbiosis Centre for Management Studies!

SCMS, Pune is now 14 years old. During these 14 years we all have been pursuing our goals and have been in touch on and off through the Alumni Cell. Hence it gives me great happiness to share the first newsletter of the academic session 2018-19. You are an important part of the educational heritage of SCMS, Pune.

We want to strengthen that heritage by celebrating your accomplishments and staying connected. This issue of the Alumni Newsletter not only showcases the activities conducted in your alma mater but also some special Alumni achievements which we come to know when some of you interact with us. SCMS's journey to learn, grow and contribute to the society continues and we believe you are an inseparable part of the success.

We are proud of each one of you and are eager to listen to what you are doing in life. It would be wonderful if you keep sharing and sending suggestions and keep participating in various programs organized by the Institute.

Regards.

Dr. Adya Sharma

Director, Symbiosis Centre for Management Studies, Pune

FACULTY INCHARGE'S MESSAGE

Dear Alumni,

Greetings from Symbiosis Centre for Management Studies!

It gives me immense pleasure to present in front of you our latest newsletter, the first of this year conducted by Alumni Cell. Alumni Newsletter not only showcases the activities but also some special Alumni achievements which we come to know when you interact through any medium. We are proud of each one of you and would love to stay connected with you while you achieve the milestones in your life. Keep sharing your achievements so that our hearts are filled with joy and pride. The primary aim of the Alumni Cell is to connect and grow the relationship between the Institute and its alumni by sharing the saga of development and growth. Suggestions are always invited from each one of you for all-round progress in the activities, academics etc. It would be wonderful if you keep sharing, sending suggestions and keep participating in various programs organized by the Institute. The Management, faculty members and our students will be delighted to hear and from your valuable experiences.

Best wishes always!

Regards.
