Gender sensitization (2020-21)

Symbiosis Centre for Management Studies, Pune conducts a robust sensitization program while inducting new students every year. For 2020-23 batch on 23rd September 2020 this event was organized to create awareness about gender issues within the student community and the larger public sphere. It is widely felt that in order to promote gender equality, guaranteed by Article 15 of the Indian Constitution; we need to change the mode of interaction at all levels home, college, and workplace and so on. To increase the outreach for creating an environment that fosters equal treatment to everyone.

Due to pandemic event was organized online via google meet and 381 students participated in the event.
