## **Gender sensitization (2016-17)**

Symbiosis Centre for Management Studies, Pune conducts a robust sensitization program while inducting new students every year during June or July to create awareness about gender issues within the student community and the larger public sphere.

It is widely felt that in order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, we need to change the mode of interaction at all levels home, college, and workplace and so on. To increase the outreach for creating an environment that fosters equal treatment to everyone.
