## **GENDER SENSITIZATION SESSION - ACADEMIC YEAR 2023-24**

Symbiosis Centre for Management Studies, Pune conducts a robust sensitization program while inducting new students every year. For 2023-27 batch on 19th July 2023, this event was organized to create awareness about gender issues within the student community and the larger public sphere. It is widely felt that in order to promote gender equality, guaranteed by Article 15 of the Indian Constitution; we need to change the mode of interaction at all levels home, college, and workplace and so on. To increase the outreach for creating an environment that fosters equal treatment to everyone.

The third day of Induction Programme began with the welcome address by our Director, Dr. Adya Sharma ma'am. A session on Gender Sensitization conducted by Ms. Renuka Mukadam. Ms. Renuka Mukadam made students aware of the various aspects how we look at our fellow students when comes to different gender. Ms. Renuka enlightened students about their responsibilities and how to be sensible towards the opposite gender.
